The following instructions detail how we receive outside scholarships and how they are applied to your account.

- Complete the outside scholarship form and mail it to Central College’s Financial Aid Office.
- Most scholarship providers will send the scholarship check directly to Central College and notify the student upon completion. However, in some situations, providers will send the checks to the students directly. In this case, please mail or drop off the check with Financial Aid Office.
- The outside scholarship check will then be applied to your student account.
