Recruiting Activity Guidelines

To ensure the quality of our services, and to minimize risk to Central College students and alumni, the Central College Career Center has outlined this policy to govern all recruiting activities sponsored by the Career Center. C. The organization requires an initial payment or investment, or account balance or similar fiscal requirements, with the organization itself serving as an umbrella or parent corporation. The initial investment may include, but is not limited to: requirement to attend unpaid orientation or training sessions; direct payment of a fixed fee; payment to attend unpaid orientation or training sessions; and/or the purchase, leasing, or renting of a starter kit, sales kit, or presentation supplies.

A third party agency or recruiter represents a candidate or an employer client and is not the principal employing organization. This includes, but is not limited to, organizations such as contract recruiters, career development consultants, career marketing firms, and temporary or contact agencies.

The Career Center will sponsor third party recruiting activities if the third party agency agrees to:

B. If requested, provide a position description for valid openings.

C. In accordance with the Family Education Rights and Privacy Act (FERPA), release candidate information only with the written permission of the employment candidate and only to the identified employer.

Information may include, but is not limited to: student name, title, division or unit within the organization, geographic location of position, employment start date, and compensation (if applicable).
