

## MONTHLY PAYMENT PLAN

Central College is pleased to offer a monthly payment plan. This plan allows you to spread the cost of attending Central College over nine or ten months of the year, rather than paying in full at the beginning of each semester.

### PAYMENT SCHEDULE

Central College bills by semester. A copy of your bill will be emailed to your Central College account each month. All emails will be from "My Bill," and the statement will be attached so it can be forwarded to the person responsible for payment.

- Ten-month plan: First payment July 15 and 15th of each month thereafter (each semester divided into five payments).
- Nine-month plan: First payment August 15 and 15th of each month thereafter (first semester=four payments, second semester=five payments).

A bill will be emailed approximately two weeks before each monthly payment is due. Any outside scholarships will be applied to your account when they are received. Monthly payments may vary if the student changes his/her class schedule, is assessed fines or incurs other miscellaneous charges. Payments not received on time could jeopardize your future registration for classes.

The Federal Stafford Loan and Federal Plus Loan disbursements will be reflected only if the online promissory note and entrance counseling process have been completed and approved at the time of billing.

### PAYMENT METHODS

Payments may be made directly to Central College with a check, money order or cash. Electronic check (ACH) and Visa, MasterCard or Discover credit card payments are available online only through the merchant provider for CashNet via the Payment Gateway system. The following link will provide access to the system: <https://web.central.edu/mybill>. ACH payments are available at no additional charge. A 2.75% convenience fee will be charged on credit card payments by the merchant provider for CashNet.
