

Hello Middle School Band Directors!

The **Central College 7th and 8th Grade Bandfest** will happen on **Thursday, October 10th, 2024** on the Central College Campus. We would love to have you and your students on campus for this event.

Nominations are due by Friday, September 13th.

Please send the nominations in priority order (who you most want to get into the honor band should be listed first and down from there).

Send the following information with your nominations and application:

School Name

Director Name

Student Names

Student Information – grade, instrument played, and suggested part. Please list whether the percussionists play mallets, battery, auxiliary, or all.

Nominations should be sent to Brad Lampe at lampeb@Central.edu

The Cost per student will be \$25 payable to Central College.

We will accept nominations based on your priority list, the student information in the nomination, filling out a balanced instrumentation in the Honor Band, and making sure we represent each school in the Honor Band.

A schedule and agenda for the day will be forthcoming soon. Plan on a rehearsal situation throughout the day and a concert that evening. Currently, we are looking at a Concert that will take place in the Douwstra Auditorium at 6:00 PM.

Thank you for considering Central College for your Honor Band experience. I hope to see you on October 10th.

Brad Lampe
